January 2026 Monthly Bulletin and News Issue 1 Page 1

This monthly bulletin was compiled on 19.12.2025 and sent to National Office for distribution. It should arrive by the first week of January 2026.

Deadline for the February 2026 issue is by the 18th January 2026.

Our Featured Interest Group for January 2026

Churches and Interesting Buildings - Chatteris u3a

Chatteris u3a has started a group to visit "Churches and Interesting Buildings". On a regular basis, we get to have a visit to a church or other ancient building with a knowledgeable local guide explaining the history of the building and its peculiarities.

This group is open to all and is free to attend; a donation towards the guide or the building are appreciated.

Peter Leeson
Chatteris u3a Chair

Thank you, Peter. Beautiful and stately is just what we need after the frenzy of Christmas! Laurene Henderson

Our November/December issue asked the following: u3a Interest Groups: "How did we start? Funny you should ask me that..." We love to read about your activities and see examples. Don't be shy – we are waiting...

Contact Laurene Henderson laurenehenderson1.eastu3a@outlook.com **Here is our first example!**

SUDBURY CRIBBAGE GROUP GOES FROM STRENGTH TO STRENGTH!

Back in 2000, when Covid lockdowns were starting to relax, my friend Richard Thomas persuaded me to join the Sudbury u3a Snooker Group.

One activity missing from the wide variety of local groups was Cribbage. We both played in the popular local Crib League, which had not re-started at that time.

When I mentioned this, Richard promptly arm-twisted me: "Well, you could start a u3a Crib Group..."

It seemed a good idea at the time! It would allow new and experienced players somewhere to play during the day while Covid rules still affected pubs & clubs. And encourage more interest in this complex and subtle card game.

All I had to do was to decide day & time, find a venue, do a risk assessment, recruit players, set up contact lists, and get some cards and scoreboards! But after three months, largely by word of mouth, we had a thriving and growing Friday u3a Crib Group with around 20 participants. A u3a start-up grant provided cards and scoreboards, and the Snooker Club had an ideal venue room - quiet and spacious.

I wanted to make the group as friendly and rules-free as possible. So we do not 'organise' the sessions as such; rather it enables crib players of all abilities to get together and play, learn and improve, and of course make some new like-minded friends. We operate on a 'turn up when you can' basis, and rotate partners and opponents to make for a more sociable group.

I am delighted we have largely achieved our aims. Our group, now over 30 strong, includes regular cribbers, others who had not played for years, and beginners who we are teaching as we go along.

And there is another success story attached. In the depths of Covid, it was not clear if the established local cribbage league could survive at all. Happily it has, with most of the original teams re-formed, though with fewer active players. I am pleased to say that our Sudbury u3a Cribbage group has introduced several players to league teams, including some who were novices when they joined us. I feel we are helping to keep this fascinating and ancient game alive in the local area.

Venue: the function room at Sudbury Snooker Club, CO10 1RE. We meet twice monthly on the second and fourth Fridays, from 3-5pm. Fee: £3.50 per session - refreshments are available. All u3a members are welcome - no pre-booking is needed. Just turn up, or for more info contact me, Mark Mathieson, on the group's email address:

su3acrib@gmail.com

Thank you, Mark. I wonder how many Interest Groups start with a casual conversation - and then grow?

We need more Interest Groups to Feature!

If you have been inspired, like me, to start a group after reading about one here, maybe your group could do the same?

Each month we feature a u3a interest group from one of our East of England Region u3as. Find them here: [Inspirational-Groups-Jan-2025.pdf](#) <https://eastofengland.u3asite.uk/wp-content/uploads/2025/01/Inspirational-Groups-Jan-2025.pdf> **We want to hear about your groups.** Please send photographs and a brief write up. Don't forget to mention your u3a and please make sure that any photographs featuring u3a members have the participants permission to appear. Send submissions to laurenehenderson1.east.u3a@outlook.com

Thank you to the many groups who have contributed so far.

Harlow's festive concert for charity

RAFTERS were ringing at St Paul's Church, Harlow on December 12 when Harlow u3a Choir hosted its annual Christmas Concert joined by Voices of Harlow Community Choir and Performing Arts students from Harlow College. The appreciative audience was treated to a wide range of Christmas related songs ranging from traditional carols and pop songs to sea shanty and Gospel.

Although the audience may have stolen the show with its enthusiastic participation in the Twelve Days of Christmas! Co-ordinated by Musical

Director Roisin Quinn, it was a joyful evening leaving all involved full of festive spirit and with all profits going to local charity Streets2Homes.

The Search is on for a second regional member of u3a Council

IN their first year Regional Council Representatives have been getting to know their new role - and getting to know their regional u3as.

We are now starting the second year ... a year which I have decided to continue in my role as East of England Council Representative. I am currently the only representative in the East of England Region, covering 140 u3as.

But we are allowed two. So, u3a is now seeking an **additional representative to serve with me.**

Nominations open on Thursday, January 8, and close on Tuesday, February 3.

If you are interested in receiving the Council Representative Candidate pack, please get in touch. The full role description and requirements are on the national web site elections page.

The creation of the u3a Council is a significant move towards putting u3a members and the issues that matter to them at the heart of everything the Third Age Trust does. Key to the success of the council will be having the right people come forward to be Council Representatives.

The role is to ensure that the voice of local u3as in the Eastern Region is heard.

If successful, the member will act as a conduit between the Trust and u3as in their area, ensuring that their views help to shape the strategy of the Trust.

Being a Representative on the u3a Council will be a rewarding role.

If you are a 'people person' and interested in putting yourself forward for this role, please get in touch with me either by email or **call me for an informal chat on 07471211347.**

I look forward to hearing from you,

Best Regards,

Ian Mathews
East of England Council Representative

First Meeting of the new u3a council April 2025. Can you spot Ian?

u3a member suggests Mindful course for carers

I HAVE volunteered with The Mindful Life Group for the last two years and have heard from participant feedback of the positive impact its course for carers has had on their lives. I am a member of the u3a Interest Groups online - What are you Reading? and have participated in group meetings. I have enjoyed very much listening and learning from others about the books they are reading - a great group of people based around the UK!

The course ... Mindfulness for Older Adults who Care ... is a free six-week online program for Essex residents. And the next one starts at the end of this month, January.

Caring for a partner, family member or friend can have a significant impact on a person's emotional and physical well-being. The Mindful Life Group Mindfulness for Older Adults Who Care program is designed specifically for people aged 65 plus who would benefit from some protected time to focus on their own needs - reducing stress and isolation, improving sleep and supporting low mood or anxiety.

Sessions are designed by Clinical Psychologists and are delivered by BAMBA-Registered Mindfulness Teachers live through Zoom. Sessions offer a calm, accessible and supportive space for carers who may find it difficult to attend in person groups.

To find out more and to apply for a visit

The Mindful Life Group website www.the-mindful-life.com Janice Birrell

Swaffham & District u3a does Christmas with bells on!

YANA u3a Xmas Tree

We are only a modestly sized u3a, but this Christmas we seem to have been everywhere! An entry for the local Church Christmas tree festival raised over £90.00 for YANA, which supports rural workers mental health and wellbeing.

A Jolly Day Out (shared with Dereham u3a members) arranged a coach for the end of pier Cromer

Christmas Show. A Christmas lunch at the local George Hotel was attended by many of our new members, we had a stall at the local Rotary Charity Christmas Fair - and finally a Christmas party for over 130 with live music, food (SO much food...) and carols!

Laurene Henderson, Secretary Swaffham & District u3a

Senor Momento

Singing for pleasure u3a Group

Rotary Club XmasCharity

A Brief History

Founded in France in 1973, the University of the Third Age is an international organisation which encourages people to lead healthy and interesting lives. The term "University" is used in its original sense to describe a group of people sharing knowledge together. In U3A, there are no entry requirements and no qualifications are awarded. The term "Third Age" simply refers to our later years in life. Anyone 50+ years of age can join.

U3A Moonee Valley

U3A Moonee Valley Inc. is a not-for-profit organisation. We offer social interaction, intellectual stimulation and meaningful engagement within the local community. We are grateful for the support received from Moonee Valley Council, local MPs and U3A Network Victoria.

Our "tutors" and organisers are volunteers and may not necessarily have formal qualifications. Whilst all of our members enjoy participating, some also share their interests and knowledge by facilitating or co-hosting activities.

If you have skills or passion for a particular activity, please consider sharing these with others in our relaxed and supportive environment.

u3a across the (Moonee) Pond

On a recent visit to Melbourne to visit my daughter, we attended a Senior's Festival in Moonee Ponds, in Victoria. It was organised by the local council, Moonee Valley.

One afternoon there was a display of various leaflets giving advice to the elderly, but I was very interested to see a display board about the local u3a, so I had to have a chat with a lady, to find out more. She was a member, and in the u3a ukulele group.

They have quite a lot of groups, but not as many we have in Dacorum. My favourite ones were circle dancing, scrabble, folk singing and ukulele.

I also learned that the u3a actually originated in France in 1973.

Jean Hunter, Member no. 0474 Dacorum u3a

Has anyone else come across u3as in their travels? We would love to hear about it. Laurene Henderson

And finally...

Dacorum u3a Calligraphy Group Does It Again!

I thought you might like to include the latest project from the Dacorum U3a Calligraphy Group, run by our wonderful Convenor **Diana Knapp**. With Diana's depth of knowledge & experience, she has led us, from Novices to quite competent Calligraphers. Her patience, encouragement & wonderful sense of humour, has resulted in this Magnificent display.

We all truly value our twice monthly meetings, made even more wonderful, by the lovely Jean, who bakes us something delicious, to go with our Coffee/Tea. The whole group supports each other, sharing ideas & tips. We are so fortunate to have u3a & the many interest groups.

Lynne Delph, Dacorum u3a

We have featured the intricate work of Dacorum Calligraphy Group before - and hopefully will again in the future. Inspirational!
